## ***APPROVAL PROCESS***

Dear Applicant:

Thank you for taking the time to fill out this application for our property. We actively seek good residents to make their homes with us, and we'll strive to provide the best services we possibly can while you are in the property we manage. Below is our rental application process and overall criteria.

We screen our applicants very carefully, and we completely verify all information provided to us on the rental application and from other sources available to us. Application fees are not refundable if the application is already being processed.

If your application passes the screening criteria, you will be offered the property. Once you have been notified, you will have 24 hours to bring in the entire reservation deposit (holding fee). All monies up through move-in need to be in the form of a cashiers check or money order or payment on line. Once money is received, the property is taken off the market. If you later decline the property, the money will be forfeited. An application that does not completely meet all screening criteria may still be accepted if additional deposits or co-signer takes place. Examples where additional deposits were required were(a) where an applicant had good credit but no rental references, or (b) good rental references, but applicant's credit did not meet our standards.

This letter also serves as the Megan's Law notification. Most states have established mechanisms for the community to access specific information about registered sex offenders. That information may be available via the Internet, via a visit to a local law enforcement agency, or by an actual notification to your home or public school. Contact [www.parentsformeganslaw.com](http://www.parentsformeganslaw.com) for assistance in accessing information in your community. You can also go to the nationwide registry area of our state and select your state to access the link to your state's Internet registry.

### ***GENERAL REQUIREMENTS***

- Applications must be completed by every resident least 18 years old. Each applicant will be required to qualify individually unless applicants are all part of the immediate family.
- All required questions on application must be completed.
- Incomplete, inaccurate or falsified information will be grounds for denial.

The parent would need to co-sign the lease and live in Georgia.
- Applicants must demonstrate that previous rents/mortgages were paid in a timely manner. If the applicant owned a home, it must be verified and there must be at least two years of recent good loan payment history.
- Applicants currently or previously in foreclosure are considered on a case-by-case basis. Supporting written documentation provided by the applicant will be needed, including letter of explanation of applicant's extenuating circumstances.
- Rental history reflecting past due rent or an outstanding balance will result in denial.
- Proper notice to vacate current and previous properties must have been given.
- Previous residences must have been left in satisfactory condition.

### ***CRIMINAL CRITERIA***

- A criminal records report will be run on every applicant.
- A conviction, guilty plea or no-contest plea for any felony or any misdemeanor or gross misdemeanor involving assault, intimidation, sex related, drug related, property damage, weapons charges, criminal trespass, theft, dishonesty or prostitution within the last ten years will be grounds for denial.
